Proposed Minutes

8. The Executive Director reported on the request of the Southeast Compact that the Midwest Compact submit or join in an amicus brief in its lawsuit with North Carolina. Rich Ihrig and Ann Kennedy discussed the request at length. The Commission participated in the discussion. It now appears that the Rocky Mountain Commission will draft an amicus brief. The question remains whether Midwest will sign on.

MOTION: that when a draft brief is received, Ihrig and Kennedy will review it, discuss it with the Midwest chair, and if further action is required (i.e. to sign on), the chair will set up a conference call to discuss it and make a decision. York, Palin; carried.

York and Ihrig noted that a lawsuit involving the Rocky Mountain Compact and Energy Solutions, Inc. (formerly Environcare) may have a significant impact on the Midwest Compact. York and Ihrig will keep the Commission informed as lawsuit develops.

9. The Executive Director proposed a budget for FY 2010 with an amendment.  
MOTION: that the budget be adopted as proposed. Suppes, Chiles; carried.
